Modern Hell ist der Ausdruck von düsterer Melancholie und unbändiger Energie. Gegründet von vier Musikern, die bereits in renommierten Formationen wie *Oceansides*, *Finding Harbours*, *The Rant* und *Ende/Aus* die Bühnen zum Beben brachten, vereint Modern Hell ihre Leidenschaft für Melodic Hardcore und Emopunk in einem explosiven Sound.

Stilistisch bewegt sich die Band in einem Spannungsfeld aus rasenden 180 BPM, brachialen Breakdowns und emotionalen Melodien, die unter die Haut gehen. Ihr Sound ist roh und intensiv, ihre Texte düster, ehrlich und kraftvoll.

Mit ihrem Debütalbum im Gepäck beleben Modern Hell eine neue Ära im Melodic Hardcore.
